Message of greeting

Dear citizens,

The Federal Government would like to invite you to an open day on the weekend of 19/20 August 2023. We cordially invite you to visit the Federal Chancellery as well as a number of federal ministries and the Press and Information Office of the Federal Government under the motto: “Visit the Federal Government”.

Take a look behind the scenes of federal politics. Join us for a discussion about the issues that interest you and are important to us all. Of course, members of the Federal Cabinet and I myself will be in attendance.

We look forward to seeing you at our open day.

Yours sincerely,

Olaf Scholz
Federal Chancellor

Access and accessibility

Most of the entrances to the ministries are barrier-free and suitable for wheelchair users. Many programme items on the stages as well as guided tours and lectures will be translated into (German) sign language to make the event accessible for the deaf and hard of hearing.

Safety

We take the safety of our guests very seriously and would ask for your understanding that security checks will be necessary. Please refrain from carrying large bags and luggage in order to ensure easy access. Please remember to bring your identity card or another form of photo ID. Unfortunately, four-legged friends, whether large or small, will have to wait outside.

Sustainability

The Federal Government will be organising the open day in accordance with tried-and-tested sustainability criteria. Greenhouse gas emissions will be avoided to the greatest extent possible. We will be guided by the German Sustainability Strategy.
